Verse 1:

Gm (riff)

We have a reason to celebrate
We have a reason to sing
We have a God who is full of grace
Jesus, our merciful King

Wonderful counsellor, prince of peace
The sinner's saviour and friend
Mention His name and the darkness flees
His kingdom will never end

Chorus:

And in His presence, there is fullness of joy

D⁷ Db⁷ C⁷

And we know that His presence is here

Gm

So put your dancing shoes on

Verse 2:

As far as heaven is from the earth
As far as east is from west
Our sin and shame are removed from us
And this is what we have left

A perfect peace that we can't explain
The very spirit of God
His power coursing inside our veins
Fear driven out by His love

Chorus:

Bridge: (repeat)

Gm

Everything He touches is turning into joy
Everything He touches turns to joy
