*Verse 1:*

G     D

I hit a low

Bm                     Asus4

Then You poured mercy over me

You showed me my worth

Endowed me with gifts I don't deserve

G                     D                     Asus4     A

And broke all the shackles around my feet

*Chorus*

G

You're the strength inside

D

Through my darkest nights

God, Your holy fire

Brings me back to life

You're the hope I need

D

Every breath I breathe

Bm

I have been set free

You're the light in me

# Strength Inside

## The Light Room

Recorded Key - D

*Verse 2:*

You picked me up  
No, I've never known such deep love  
Like I've been awakened from my sleep  
And now I'm revived  
Your Spirit is brining inside  
The work You've begun, You will complete

*Chorus*

You're the strength inside  
Through my darkest nights  
God, Your holy fire  
Brings me back to life  
You're the hope I need  
Every breath I breathe  
I have been set free  
You're the light in me

You're the light in me

*Chorus*
