Bb Eb/G Ab  
You are the God of endless wonder

Bb Eb/G Ab  
You brought us here into Your family

*Musical Interlude:* Bb Eb/G | Ab

You are the author of forever  
The one whose stride can span the centuries  
But oh how faithfully You father  
Bb Eb/G Ab Ab/Bb  
You are gentle in Your majesty

*Chorus: (Repeat)*

Eb  
You call us sons and daughters,  
Gm<sup>7</sup>  
We are Your sons and daughters  
Eb/G Ab Eb/G Ab  
You know us by name, You know us by name

*Verse 3:*

You are not an absent Father  
You are not distracted and detached  
You are joy and You are laughter  
Your Father's heart for us cannot be matched

You are wiser, You are kinder  
More patient than the angler for his catch  
You know us more than any other  
Our Father's love for us cannot be matched
