No Weapon Formed Against You

Rachel E Reader

Verse 1:
Em G F
When your head's bowed low and the odds are stacked against you
Em G F
When the money's tight and you don't know how you'll get by
Am G Em F
Though your brain twists and turns through the endless sleepless nights
Am G Em
Lift up your eyes to the one who will supply

Chorus:
C G F C
No weapon formed against you shall ever prevail
C G F C
No weapon formed against you shall ever prevail
G C
For your righteousness and your justice
F C
Comes from the Lord
F G
Who can stand against His mighty Word

Verse 2:
Em G F
When the accusations fly and the whole world seems against you
Em G F
When the path is far from clear on the road that you tread
Am G Em F
As the storms swirl around, and you haven't got a clue
Am G
Lift up your eyes
Em
So He can rescue you

Chorus: (repeat)
