As he lifted up his head that day
the old man came through the door
He looked as if he hadn't eaten
for a couple days or more
He sent out for coffee
and some sandwiches you see
You can't tell 'em about Jesus
until you meet their need

Chorus:

The Missionary
Lord what would you have me do today
Is there one lost soul you'll send me
who needs a word to help him find the way

Lord I give my everything to you
I thank you for what you have done

I just want you to know
that I love you

Verse 3:

The man was overwhelmed
by all the kindness he received
The Missionary shared with him
and soon he too believed

It wasn't very long before
the man received the call
To become a missionary
to serve the lord of all
